

JOB DESCRIPTION
Early Childhood and Recreation Manager

The Berwyn Park District Early Childhood program is the first exposure to park district programming and educational experiences for many families within the City of Berwyn. The positive focus and administration of the programming and classes focus on the concept of “learning through play”. The Early Childhood and Recreation Manager is responsible for performing the essential functions as outlined in this analysis.

The Early Childhood and Recreation Manager is an hourly full-time position. Nights, weekends and holidays are required with this position as scheduled. Proficiency in both English and Spanish is desirable.

Qualifications

A minimum of a bachelor’s degree in Education or Early Childhood Education, or a bachelor’s degree in recreation management, and at least two years’ experience in a field related to education or recreation is required. The Early Childhood and Recreation Manager should possess good supervisory, composition and oral communication skills, as well as possess competency in the use of computer systems as they pertain to the Early Childhood department.

The Early Childhood and Recreation Manager must be familiar with all licensing regulations as set by the Department of Children and Family Services. Must be familiar with children’s physical, emotional, and developmental patterns. Must be knowledgeable in the areas of curriculum planning, in-service staff training, program goal setting, and evaluating the progress of individual children. Must possess the ability to implement and operate a recreation program consistent with the needs of the residents of the District within the financial resources and physical plant available.

The Early Childhood and Recreation Manager must pass a criminal background check, drug test, and physical exam, all of which are paid for by the Berwyn Park District, and also possess a valid Illinois class “D” driver’s license and maintain an adequate driving record.

Immediate Supervisor: The Early Childhood and Recreation Manager is under the direction and supervision of the Superintendent of Recreation.

Essential Functions:

1. Develop, coordinate, and administer early childhood age specific programs, day camps, and special events that create fun, excitement and enthusiasm to participating children, parents, and staff.
2. Communicate the fun, excitement and enthusiasm created by the district via well-written marketing communications. These communications will be seasonal program guides, program sales, public relations, newsletters, and social media and marketing efforts utilized by the park district.
3. Evaluate the effectiveness of programs and events through budgets, demographics, and statistics. Develop new programs and expand or discontinue current programs based on participation and cost analysis.
4. Actively recruit, train, supervise, and monitor the performance of teachers, volunteers, instructors, and part-time staff to work events and programs. Conduct staff meetings on a regular basis.
5. Network with neighboring park districts, school districts, and other community organizations to provide outstanding programming.
6. Maintain awareness of current trends in early childhood, recreational programming and other district areas and develop new programs based off of those trends and community needs.
7. Recommend salary adjustments, hiring proposals, and promotional and purchase recommendations to the Superintendent of Recreation concerning department employees.
8. Attend all required meetings, including with Superintendent of Recreation to foster communication and receive assigned tasks.
9. Inventory and order supplies and equipment for camp and early childhood divisions.
10. Assist with holiday and seasonal programs, trips and other collaborative activities.
11. Seek, interpret and implement input from the public, maintaining a close, positive relationship.
12. Assist in the development of long range planning, goals, and program forecasts.
13. Responsible for monthly board reports and budget analysis. Consistently review and monitor the budget and take appropriate action to ensure that variances stay within budget guidelines.
