What Does A Zoom Call Look Like?

- Students will experience opportunities for social and academic learning
- Our main focus is to provide an opportunity to connect with peers and your teacher
- Teachers will cover the shapes, colors, numbers, sounds, and letters of the week
- Child driven interactions and meaningful engagement

- Students will be introduced to a theme of the week
  - Week 1: Getting Acquainted
  - Week 2: Families
  - Week 3: Feelings
  - Week 4: Friendship
  - Week 5: Autumn

- Students will have an opportunity to do show and tell on Thursdays
Remote Learning Information

Zoom Basics

• Zoom is a vehicle for connection
• Zoom meetings will give us an opportunity to connect with students and teacher
• Children should be located in a space they can move in. Many of our activities will be ones where the child needs to stand up and move around
• Learning looks different for all students
• Students are always encouraged to express themselves
• Sessions will start at 30 minutes and work up until 1 hour of instruction
Remote Learning Information

Student Expectations:
- Students should know how to Unmute themselves on zoom
- Students should raise their hand when they have a question
- When a teacher is speaking on zoom, eyes should be watching
- It's most important that students stay on task during the call
