Hi Berwyn neighbors,

I hope you are enjoying summer, whether your plans are to travel for vacation or stay in town. For Berwyn Park District staff, summer means a lot of hours weeding and planting garden beds and engaging kids in our various summer camp programs! I hope you have noticed some of the hard work going into maintenance of the parks. This is in addition to staff time addressing periodic vandalism and graffiti. There is still much work to do, so we welcome your assistance in reporting any concerns.

The board of commissioners with the executive director are pleased to begin embarking on a master planning process over the next several months. The Park District will be contracting with a firm with extensive experience helping other parks agencies with master planning. This master plan will have many benefits most notably:

1. Engage residents and stakeholders through public meetings and statistically valid surveys about the resources, amenities and programs you’d like to see in Berwyn.
2. Establish a road map for the board of commissioners and staff to help prioritize capital improvement projects, including turning vacant land into assets or improving facilities we have today.
3. Provide a means for gaining more grant dollars for various projects which often require a recent master plan based on community feedback.

We are all very excited to begin the master planning process and look forward to your participation. Keep an eye out for future announcements.

We hope to see you at our neighborhood parks or events soon!

On behalf of the Board of Commissioners,
Brian Brock, President

ITALY’S AMALFI COAST

A region famous for vividly painted towns that tumble down cliffsides to a sparkling azure sea, the Amalfi Coast is Europe’s most alluring stretch of shoreline. Nearby you’ll also find the glamorous island of Capri, a popular haunt of the wealthy for centuries and renowned for its natural beauty as well as its grand mansions and chic hotels. Enjoy Pompeii, a city perfectly preserved as it was on that fateful day 2,000 years ago, when Mt. Vesuvius erupted covering the city in deadly volcanic ash and lava, but most romantic of all is beguiling Positano, a vibrant warren of steep, winding streets and enduring charm. Our Italy specialists know the country inside out and lead you to experiences you won’t find in a guidebook, so you can get the most out of your vacation to the Amalfi Coast.

GREAT TRAINS & GRAND CANYON

“The Grand Canyon is the one great sight which every American should see,” said President Theodore Roosevelt in 1903 when he first laid eyes on one of nature’s most awe-inspiring sights. Every traveler should explore our own beautiful American West, and that is exactly what you will do on this exciting travel program to Arizona. This travel experience features a combination of American West highlights: scenery of Grand Canyon National Park and the red rocks of Sedona, the Native American history at the Montezuma Castle National Monument and the Old West nostalgia of two train rides. Enjoy five nights at a picturesque property in Sedona, Arizona. Just north of Phoenix, Sedona is known for its jeep rides, artist galleries and breathtaking red rock scenery.

## Waiver and Release of all Claims and Assumption of Risk

The Berwyn Park District places a high value on the safety of all participants in its recreation programs and activities, and is dedicated to minimizing potential risks. To achieve this, all participants must comply with safety regulations and instructions designed to ensure their protection. However, it is important for participants and parents/guardians of minors to acknowledge that engaging in recreational activities/programs carries inherent risks of injury. It is your responsibility to assess whether you or your minor child/ward are physically fit and adequately skilled to participate in the activities covered by this agreement. It is advisable, particularly if the participant is pregnant, has a disability, or has recently experienced an illness, injury, or impairment, to seek advice from a medical professional before engaging in physical activity.

### Warning of Risk

Recreational activities aim to stimulate and challenge the physical, mental, and emotional capabilities of every participant. Even with careful preparation, instruction, medical advice, conditioning, and proper equipment, there is still a possibility of sustaining severe injuries during any recreational activity. Some risks and dangers cannot be predicted or anticipated. Depending on the activity, there may be particular hazards, dangers, and injuries that arise from inclement weather, falls, lack of skill or conditioning, recklessness, fooling around, unsportsmanlike behavior, defects in the facilities, equipment that is inadequate or defective, insufficient supervision, instructions, or officiating, and other risks that are inherent to the activity. In light of this, The Berwyn Park District cannot provide an absolute assurance of safety.

Kindly read through this document with utmost attention and take note that by enrolling and partaking in this program/activity, you are explicitly assuming the risk and legal liability, and forfeiting all claims for injuries, damages, or loss that you or your minor child/ward might incur while participating in any and all activities associated with this program/activity (including transportation services and vehicle operations, if applicable). I acknowledge and realize that there are certain hazards of physical injury involved in this program/activity, and I voluntarily consent to assume the complete risk of any injuries, damages, or loss, irrespective of severity, that my minor child/ward or I may suffer as a result of such participation. Additionally, I agree to waive and abandon all claims that I or my minor child/ward may have (or that may arise) against the Berwyn Park District, its officials, agents, volunteers, and employees, due to participation in this program/activity.

### Transportation

Please take note that by utilizing the Berwyn Park District's transportation services to attend this program, you will be assuming the risk and legal liability and waiving all claims for injuries, damages, or loss that you or your minor child/ward may suffer due to said services, which include, but are not limited to, boarding and disembarking the vehicle and vehicle operations. I acknowledge and understand that the Berwyn Park District is not a common carrier or engaged in providing transportation services to the general public. I further acknowledge and comprehend that there are specific hazards of physical injury to passengers during transportation, and I willingly consent to take on the full risk of any injuries, damages, or loss, regardless of severity, that my minor child/ward or I may encounter as a result of utilizing transportation services, including injuries, damages, and loss arising from negligent operation or supervision of the vehicle.
